Payment Methods

MFC Payments

Patients are asked to note that payment is due prior to each treatment cycle with the balance being paid in full the day of baseline scan.

Payment can be made by debit card, credit card, cheque, bank draft, postal order or cash. A 2.00% surcharge applies to credit card payments.

Med 1 Forms for claiming tax relief on Medical Expenses may be downloaded on www.revenue.ie

This fee schedule is effective from February 2015 and supersedes all previous fee schedules. Prices are subject to change without prior notice.
